

REHABILITATION SERVICES

WHY PROVIDENCE REHAB?

Providence teams up with leading rehabilitation and therapy experts to offer top-quality rehab programs from licensed professionals. Occupational, Speech, and Physical Therapists help people rebuild diminished skills following surgery, stroke, illness, or injury.

WHAT MAKES IT WORK?

A therapist will meet with you personally within 24 hours of your admission to review your medical records and help you set goals. You'll benefit from:

- ✿ *A fully equipped rehabilitation gym*
- ✿ *Special technology and specialized training*
- ✿ *Programs that focus on skills for daily living*
- ✿ *Interactive training to help with the transition back to home*

All these resources — and more — under the supervision of staff experts, in the context of Christ-like care, have helped hundreds of people turn “I can’t do it” into “I did it!”

Restoring health & mobility Providence Style!

When you stay with Providence during your rehab program, you'll enjoy a Providence life! Spend an hour or more with your licensed therapist each day, and enjoy visitors, recreational opportunities, nutritious meals, and convenient snacks when you're not working out. At all our skilled nursing locations, Providence teams up with well-respected, licensed professionals to offer the results-driven rehab services you need.
