Providence Life Services is a Christian 501(c)(3) not-for-profit organization.

Providence Life Services does not discriminate on the basis of race, color, religion, national origin, sex, or handicap.

With You, for You!

PROVIDENCE

When we say “With you, for you,” we’re making a promise. Those four words convey a sense

of shared journey and unwavering commitment to be an enduring presence in the lives of the people we serve. Whether you come to us for long-

term skilled nursing care or short-term rehabilitation services — for yourself or a family member — we’ll walk *with* you through life, so we can offer better services *for* you.

So if you’re ready for the peace of mind that comes from dealing with a name you can trust, choose Providence Healthcare & Rehabilitation Center of Downers Grove for your rehab or skilled nursing needs.

REHABILITATION SERVICES — *therapeutic programs to restore health and mobility*

At Providence, we team up with leaders in rehabilitation services to help people of all ages rebuild skills that have been diminished by illness or accident. Stay on campus during the length of your recovery, and here’s what you can expect:

- ✿ *Our physiatrist will meet with you, personally review your medical records, complete an evaluation, and help set treatment goals.*
- ✿ *You’ll spend time each day one-on-one with a therapist in our fully equipped rehab gym.*
- ✿ *When you’re not in therapy, you can enjoy visitors, recreational opportunities, free wi-fi, and nutritious meals and snacks.*
- ✿ *Private accommodations can make the entire rehab experience conducive to your recovery.*

At Providence, we combine state-of-the-art equipment with caring encouragement to help you regain maximum independence.

SKILLED NURSING CARE — *healthcare for short- or long-term needs*

Providence can also be here for you when the need is more permanent. At our community, you’ll get round-the-clock access to staff who can help take care of your needs. Providence skilled nursing centers are **accredited by the Joint Commission**, an independent organization whose mission is to ensure that healthcare in America is safe for all people. The Joint Commission is the nation’s oldest and largest standards-setting and accrediting body in healthcare. Achieving accreditation is not mandatory, but Providence appreciates the commitment to quality that their standards represent, so we gladly apply.
