“Extremely pleased”

And other Endorsements from the Families of Our Residents

“Extremely pleased with the care that Mom and Dad are getting! Great communication with and between staff. Mom and Dad very happy.”

✿ S. H., DAUGHTER

“I came in to see my mom last week while I was visiting from Florida. I left with such a good feeling and was so relieved to see that she is getting wonderful care and is in a bright, cheerful place. It is difficult being so far away and having all of the responsibility fall to my sister, but I left knowing that Mom is in a wonderful place and is looked after so well.”

✿ B. S., DAUGHTER

“We cannot thank you enough for the compassionate care you gave our mom and dad. Truly the Spirit of Christ was so evident!”
