

A VILLAGE WOODS TESTIMONIAL

“The staff is so good to me.
I’m not just a customer. I’m family.”

✿ Elaine Tatge, *Village Woods Resident, Assisted Living*

After a long career working in the publishing industry, and being an active member of the Lutheran Women’s Missionary League, Elaine Tatge was ready to enjoy her retirement, traveling a bit and spending time with loved ones.

Then in October of 2016, Elaine suffered a series of injuries from falls, including a broken hip. Her doctor advised her that her house, a house with many stairs, might not be a good fit for her anymore.

“Obviously, this is very nice,” Elaine says, gesturing to her apartment, where the many books point to her lifelong love of reading. “The house is really too much to take care of. This is manageable and comfortable.”

At Village Woods, Elaine is able to get the assistance she needs, without sacrificing her freedom. Her view allows her to see the scenic grounds, and the many birds that visit the tree outside her window. She no longer drives, but takes advantage of the many trips to the store on the Village Woods bus.

Elaine enjoys the variety of activities offered at Village Woods, particularly the live entertainment. She also enjoys the mystery scenic trips planned every month. Overall, she feels she is in good hands.

“The staff is so good to me. They know me and they care about me. I’m not just a customer. I’m family.” ✿
